8 DAYS OF EXTRAORDINARY NATURAL
PRESERVES AND FRONTIER HISTORY

Dear Alumni and Friends,

Join former students and friends on a transformative journey into the sublime, sprawling wilderness of California's national parks. With more national parks in the Golden State than anywhere in the nation, it's home to some of our most iconic natural wonders—the highest waterfalls, largest trees, and one of the deepest canyons.

Showcasing Death Valley, Yosemite, Sequoia, and Kings Canyon National Parks, this 8-day program celebrates the history, beauty, and culture of these magnificent public lands. Together we'll experience rich and diverse natural landscapes, opportunities to glimpse wildlife, and a palpable connection with nature.

After each rewarding day exploring the surreal geological formations at Death Valley, the picturesque panoramas at Yosemite, and the towering sequoia forests of Sequoia and Kings Canyon, we'll retire to well-regarded and comfortable resorts and lodges.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today, and share this brochure with family and friends who may be interested in traveling with you.

Reserve today online at wm.orbridge.com, by calling (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

A handwritten signature in cursive script that reads "Virginia".

Activity Level: The majority of the program's activities will take place outdoors and a fair amount of walking on varying terrain is to be expected. Many of the parks have dirt trails, but they are usually fairly smooth for walking, some do have paved pathways and boardwalks. It is our expectation that guests on this program are able to walk a mile at a moderate pace, get in and out of a motor coach, and walk up a flight of stairs without assistance. Also keep in mind that you will experience varying altitudes, rising up to 10,000 feet, to which you may not be accustomed.

Program Highlights

- Experience the diverse wonders of four West Coast national parks accompanied by an Orbridge Expedition Leader.
- Observe terrestrial spectacles in Death Valley, the largest national park outside of Alaska.

What Guests Are Saying...

Excellent trip! Our guides were friendly, engaging, and very knowledgeable. They went out of their way to accommodate our needs. We were able to see and learn things we would never have if we had been on our own. We enjoyed our fellow travelers who were on the tour with us.

~Ed and Carolyn G., Atlanta, GA

I thought that it was a very well-run program. The leaders involved did everything to make the trip more enjoyable. The highlights were Mono Lake, Yosemite, the Sequoias, and Big Sur. I felt Yosemite to be a true national treasure. It was totally breathtaking. I would certainly travel with Orbridge again and already have recommended them to friends.
